

## MS WESTERDAM

Deck 1 is the Main Deck and is comprised of Staterooms 1001 through 1127. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible, and so is the bow deck.

Deck 2 is the Lower Promenade Deck. On the bow side of the deck, two wheelchair-accessible routes are available on the interior. On the stern side, a wheelchair-accessible route is available on the starboard side of the deck. The square-shaped route at the stern of the deck is also accessible. An accessible restroom is available at center starboard.

Deck 3 is the Promenade Deck. It contains two long hallways, but only the starboard-side hallway is wheelchair accessible. To access the route along the perimeter, assistance with doors may be required.

Deck 4 is the Upper Promenade Deck and is comprised of Staterooms 4001 through 4185. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 5 is the Verandah Deck and is comprised of Staterooms 5001 through 5191. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 6 is the Upper Verandah Deck and is comprised of Staterooms 6001 through 6177. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 7 is the Rotterdam Deck and is comprised of Staterooms 7001 through 7145. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 8 is the Navigation Deck and is comprised of Staterooms 8001 through 8147. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 9 is the Lido Deck. A wheelchair-accessible route is available along the perimeter, and seven hallways connect one side of the deck with the other. Two accessible restrooms are available on the starboard side: one near the bow and the other near the rear elevator room.

Deck 10 is the Observation Deck. A wheelchair-accessible route is available along the perimeter, and three hallways connect one side of the deck with the other. One accessible restroom is available near the center of the deck. And a second one is at the port side of the bow of the ship.

Deck 11 is the Sports Deck. No accessible route is available to the aft section, and the aft and fore sections are not connected. A stair lift is available to the fore section.
